“

When it comes to investing, we want our money to grow with the highest rates of return, and the lowest risk possible. While there are no shortcuts to getting rich, there are smart ways to go about it.

-- Phil Town

About us

**WHO
ARE WE?**

- Kenyanwallstreet.com is a leading business & investment news website. Our stories provide a wealth of information to readers keen on staying on top of everything finance, investments, economics and Real Estate & Construction.
- We aim to provide readers and the general public with news and information on how events in the business world influence their daily lives and have a readership that transcends across the East African region and investors with a keen interest in this region.
- We combine a data- driven approach to inform the messaging, through an understanding of digital media and public relations.
